Purchaser may elect to withhold current payment if current certificates of insurance are not provided.

14. INDEMNIFICATION

14.01 Contractor agrees to indemnify and hold harmless the Purchaser, its officers, directors, employees and agents from

and against all claims, suits, damages and losses, including reasonable attorneys' fees and expenses arising from:

- (a) bodily injury, sickness or death or real or tangible property damage or destruction resulting from the negligent or wrongful acts or omissions in the performance of Services by Contractor, Subcontractors, anyone employed directly or indirectly by any of them, or anyone for whose acts any of them may be liable in connection with the provision of the Services;

14.02 If an employee of Contractor, Subcontractors, anyone employed directly or indirectly by any of them, or anyone for whose acts any of them may be liable has a claim against Purchaser, its officers, directors, employees, or agents, Contractor's indemnity obligations shall not be limited by any limitation on the amount of damages, compensation or benefits payable by or for Contractor, Subcontractors, or other entity under any employee benefit acts, including workers' compensation or disability acts.

14.03 The obligation set out in this Article shall survive the expiration or termination of this Contract.

15. LIMITATION ON LIABILITY

15.01 Except as provided in Section 15.02 below, and unless otherwise agreed by the Parties in a particular task order based on the nature of the Services therein, the total aggregate liability of Contractor for claims asserted by Purchaser under or in connection with this Contract, regardless of the form of the action or the theory of recovery, shall be limited to three times the Contract Price. Each Party acknowledges and agrees that this limitation of liability shall apply whether or not the remedies allowed under this Contract are deemed adequate and whether or not such remedies fail their essential purpose.

15.02 The limitations of liability set forth in this Article 15 shall not apply to the extent the liability arises from:

- (a) The fraud, intentional misconduct, or gross negligence of Contractor, Subcontractor or anyone for whom they may be responsible. For the purposes of this Contract "gross negligence" shall mean any act or failure to act (whether sole, joint, or concurrent) which seriously and substantially deviates from a diligent course of action or which is in

reckless disregard of or indifferent to foreseeable harmful consequences; or

- (b) Contractor's obligations to indemnify Purchaser as set forth in Article 14 (Indemnification) above.

16. CONSEQUENTIAL DAMAGES

16.01 Notwithstanding any other provision of the Contract, in no event shall either Contractor or Purchaser be liable to the other party for indirect, incidental, special, punitive or consequential damages of any nature (collectively consequential damages), including, but not limited to, loss of use, loss of revenue, or loss of income, whether arising in contract, tort (including negligence) or other legal theory, even if the possibility of such damages is known at the time of the execution of this Contract.

16.02 The exclusion of consequential damages set forth in Section 16.01 above shall not exclude or affect: (a) Contractor's liability for fraud or intentional misconduct; or (b) Contractor's liability for its indemnity obligations in accordance with Article 14 (Indemnification).

17. SUSPENSION OF WORK

17.01 The Purchaser may order Contractor, by written notice sent in accordance to Article 42 Notices, to suspend, delay or interrupt all or any part of the Services for the period of time that the Purchaser determines appropriate or convenient for the Purchaser.

17.02 If the suspension, delay or interruption under Section 17.01 is unreasonable in duration, the parties may agree to modify the Contract accordingly and adjust it to reflect any change to the Contract Price or delivery date. Under no circumstances will Contractor be entitled to claim loss of profit in connection with or as a result of a suspension. No adjustment will be made for any suspension, delay or interruption to the extent that performance would have been so suspended, delayed or interrupted by any other cause, including the fault or negligence of Contractor, or suspensions arising from Contractor's failure to abide by its safety obligations hereunder.

17.03 A request for adjustment under this Article shall not be allowed: (a) for any costs incurred more than twenty (20) days before Contractor notifies the Purchaser in writing of the Purchaser's act or failure to act that allegedly caused the suspension, delay or interruption involved; and (b) unless the request, in an amount stated, is asserted in writing within seven (7) days after the end of the suspension, delay or interruption.

18. TERMINATION

18.01 **Termination for Convenience:** Purchaser may terminate the Contract, in whole or in part, if it determines, in its

sole and absolute discretion, that a termination is in its best interests. In order to terminate the Contract, Purchaser shall send the Contractor a written termination notice at least ten (10) working days prior to the intended date of termination. Notice of such termination shall state that termination is for the Purchaser's convenience. The notice shall also state the extent to which performance of services under the Contract is terminated, and the termination date. Unless otherwise instructed by the Purchaser, Contractor shall stop work immediately on receipt of the termination notice and follow the instructions and directions of Purchaser. In the event of a termination for convenience by the Purchaser, Contractor shall be entitled to be paid for Services properly performed by Contractor prior to the effective date of termination, provided, however, that such payment shall not exceed the total Contract Price after adjustment to account for the price associated with Services not performed. Contractor will also be paid for unavoidable direct costs, actually incurred by Contractor, and directly related to the termination. Contractor shall not be allowed, and expressly waives, payment for profit on Services that were not performed as of the termination date.

18.02 Termination for Force Majeure: Contractor may terminate this Contract, by not less than ten (10) working days written notice sent to the Purchaser if: (i) as the result of a Force Majeure Event, the Contractor is unable to perform a material portion of the Services for a period of more than thirty (30) days; or (ii) in the event the Contractor reasonably determines it is unable to continue to perform the Services due to a change in applicable law prohibiting it from providing such Services; or (iii) Contractor is required to do so to comply with applicable laws, regulations or professional standards. Purchaser may terminate this Contract for Force Majeure, by not less than ten (10) working days written notice sent to the Contractor if: (i) as the result of a Force Majeure Event, the Contractor is unable to perform a material portion of the Services for a period of more than thirty (30) days; or (ii) in the event Purchaser is required to do so to comply with applicable laws, regulations or professional standards. In the event of a termination for Force Majeure, Contractor shall be entitled to be paid for Service properly performed by Contractor prior to the effective date of termination, provided, however, that such payment shall not exceed the total Contract Price after adjustment to account for the price associated with Services not performed. Contractor shall not be allowed, and expressly waives, payment for profit on Services that were not performed as of the termination date.

18.03 Termination for Default: If Contractor materially fails to provide the Services in accordance with the period specified or in the manner required under the Contract; or if the Services do not conform to the requirements under the Contract; or if the Contractor becomes insolvent or unable to meet its payment obligations when due, or breaches any material

obligation under the Contract, the Purchaser shall give the Contractor a written notice describing the instances of default and giving the Contractor a reasonable opportunity to cure.

If the Contractor does not cure the default within the period specified in the written notice, the Purchaser may, without prejudice to any other rights available to it by law, terminate the Contract for default by written notice, specifying the reason for the default, the portion(s) of the Contract defaulted and the effective date of default.

If Contractor is in breach of Article 29 (Procurement Integrity) of this Contract or is identified on any terrorist sanctions list recognized by the Purchaser, including, but not limited to, the United Nations 1267 sanctions list, the United States Executive Order 13224 sanctions list and the United Kingdom terrorist sanctions list, this Contract shall be subject to immediate Termination for Default upon written or oral notice to the Contractor.

In the event of a termination for default, Contractor shall be entitled to be paid for Services properly performed prior to the effective date of termination, provided, however, that such payment shall not exceed the total Contract Price after adjustment to account for the price associated with work not performed. Contractor shall not be allowed, and expressly waives, payment for profit on Services which were not performed as of the termination date.

19. DISPUTES

The arbitration shall take place in Washington, D.C. Any resulting arbitral decision shall be final and binding on both parties. Judgment upon any arbitration award may be entered in any court having jurisdiction thereof. Such judgment shall be in lieu of any other remedy.

19.02 In resolving a dispute hereunder, the parties agree that the Contract will be interpreted in accordance with the substantive laws of New York.
